No verber 14th, 1914

G. Mickle, Esq.,
Toronto.

Dear Mr. Mickle:

There are several outstanding questions to be dealt with while I am away that require the authorisation of my Military Committee. I have asked Dr. Ellis to act as Chairman, and on consultation with Colonel Lang I find that next Saturday morning at ten o'clock in my office would be the only suitable time for him in the week. May I ask you as Secretary of the Committee to be kind enough to call it?

I am,

Yours sincerely,

Dear Dr. Falconer;-

Professor V.E. Henderson wrote to me, as Secretary of your Advisory Committee, on November 24th, requesting that his resignation from the Committee be laid before you and saying that as the Officers Training Corps was now in existence, and he is a member of the corps, he feels that his duty as a member of the committee has come to an end and that the committee would be strengthened rather by his resignation, than by his continuing.

In resigning he expresses his pleasure to have been permitted to serve you in this matter and at this critical time.

I enclose a copy of the minutes of the meeting held, in your absence, on Saturday, November 21st.

Yours sincerely,

Encl (1)

Dear Mr. Mickle:

At the meeting of the Military Committee held on Monday it was decided to ask you if you would be kind enough to act as Treasurer for the Committee. Funds will now be coming in and they should be under some responsible person. If you can perform this for us we shall appreciate it.

Yours sincerely,

Dr. Falconer,

President University of Toronto,

TORONTO.

Dear Dr. Falconer;-

I have received your favour of the 17th inst., and shall be glad to act as honorary treasurer for the Military Committee, as requested.

I always think it an essential that a treasurer should deposit all funds in some chartered bank and that all payments out should be made by cheque, and shall understand that to be the routine, unless I hear to the contrary. I suppose that periodically during the course of my duties, and when they are over, the Committee will be kind enough to provide an auditor of the accounts, if there are many items.

Yours ~~truly~~, *truly*

Henry W. Mickle
